RECORD SPECIAL -

During Christmas, week a special adition of This IlkGord will be published. It will be an eight-page il-lustrated paper, containing descripthe varied interests of our district.

There will be articles on mining lumbering, flour-inifing manufacture will be articles on mining lumbering, flour-inifing, manufacturing, flour-ini tive matter relating to our triune city, besides information respecting the varied interests of our district. city. Do not wait to be asked for your card, alease hand it in to the office or by telephone, calling up No. the 66.— It is to your interest to make burn hard. our resources known abroad.

MYSTERIOUS DEATH.

Last Saturday moraing Ms. Dops. and McLeon started scrubbing out Mr. J. P. Philbin's bakery. After working a short time, she was offered a cup of coffee by Mr. Philbin, and drank it. About twenty minutes after she drank it she quit scrubbing and went out. She returned again in about fifteen minutes. She said she had been sick at the stomach, but went on scrubbing fill noon; when she left, saying die would come back after dinner. She did would come back after dinner. She did would come back after dinner. She did would come back after dinner. The Electors of the Municipality of the Township of Rat, Portage.

WINING MATTERS.

NUGGETS

-Capt. A. S. Riches, of St. Paul, habeen here this week looking into our minin interests.

-On Thursday night about 23 c'dock, Mr. John Hidrich went to the magnzine 5 the Sultana mine to fill his lamp from a burrel of kerosene oil kept there. While doing so he macrowed the burner and leavbarriet of kerosene oit kept there. While doing no he misserved this burners and leaving it burning he ledd the down on an emptying it burning he ledd the down on an emptying the box. The lames immediately got beyond Mr. Hildreth's control, when he ranked to a place of safety, giving warning of the expected explosion. The magazine and contents were entirely destroyed without an explosion, though it contained two keys of blocks burder; too breve of containing the content was the content of the con

cotrosive poison supplied or, obtained the mass accompanied by M. Gerard in was accompanied by M. Gerard in was accompanied by M. Gerard in was accompanied by M. Gerard in consumations that in a unfortunation well known in Brussels and London. Latement was obtained from the decased.

The can of coffee extract and the stomach of the decased are in possest with the decased are in p

tance, and with Gomeral Manager. You Horne," of the Cantadium Parelie, M. Yau Buryasel and a corps of twenty Belgian mining experts and oivil congineers the envoy came west on the Cantadian road, dropped off at hwatering station sixty miles west of Port Arthur and struck into the wilds. Threas-weeks ago the outfit, arrived at Duluth, "haviving speed," says M. Moequet, "a summer, most excerable." Their trip was one of considerable hardship, Van Horne doem't nuch go in for hardship, land ho quit after starting the party out. M. Van Burysell was kneed, too, and made tricks back to Port Arthur. "But," says Mocquet, "My commission did not permit of going back. It was a command, I was told, all you find iron find ar outlet to a market and buy the confined as yout." They found silver croppings for the first fifty or sixty miles south of the Canadian Pacific and paid on attention to them; then they struck w-new formation. The country was fearfully broken, but the minoral was plentiful, and of the very land they were looking for—a soft ord of excellent quality. A neigher of hand they were looking for—a soft ore of excellent quality. A number of shalts were dug, and the result was that the sivil engineers took some as-sistants and looked for a rotte-to-the

The outlet to the American side Canadian coast of Superior almost so, and the centre was the laying out of a line to the Canadian Pacific railway. From the centre of the mineral district this is distant sixty-five miles in a atraight line, and is exactly 100 miles from Port Arthur, as the

to the location of the range. Further information with regard to Turther information, with regard-to the above is to the effect that the lang of the Belgians has secured 2,900 acres of the above mentioned lands, and through his agent, M. Alocquot, offered to take entire mineral interests contained in what is known as the Pattieon tract; to open the mines before Nov. 1, 1983; to open the words with the pattient and the pattient of the patties taken out so long as the present duty of 75 cants per ton on Capadian ore is of 15 cents per ton on Canadam ore is minimized by the Junited States, and if that futy is removed the royalty is to be increased to 40 cents per ton, the lessee-to brild and have in operation a railroad from the mines to the Cana-dian Paidic railway by Nov. 1, 1894, and to have the further option of buy, increasing the control of the period of the ing one-sixth of the fee at a price to be agreed upon by appraisal. In con-sideration of these privileges Leonold pays \$100,000 in c-sh, \$400,000 when pays ofton MO in cish, \$400,000 when the centrage shall have been approved by the pricional, or within sixy days, and the chilance within six months from clate. What the chilance is is not known, by oil is said to exceed 10,800,000 frames.

Residence next to J. Gardner's, opp. Hilliard House.

Christmas is coming,

And you're likely looking for something to surprise your wife with. Nothing you could buy would please her more than a good CARPET SWEEPER.

BISSEL'S Grand Rapids is the best. Saves Carpets and Labor.

JAMES ROBERTSON

剝J.*·B.*·DAVIES.埃

Clougher Block, Main Street, Rat Portage, post office, Norman, and North of railway track, Keewatin.

Begs respectfully to call the attention of the general public to his large and well assorted stock of General Merchandise, which he sells at a very small per centage over cost price.

The Goods are the VERY BEST Obtainable for MONEY.

Householders and consumers in general will be studying their own interest by buying at the above popular stores.

Get Dessicated Rolled Oats or Dessicated Rolled Wheat in packets, Vanhouten's Celebrated Dutch Cocoa, Epp's Fine English Cocoa, or try a can of our celebrated Old Government Java Coffee or our world-known Indian, Japan or Young Hyson Tea. The celebrated Monsoon Tea sold at Toronto prices. Choice Hams and Rolled Bacon.

We have a full stock of Christmas Fruit--New Valencia Raisins, New Sultana Seedless Raisins, New currants, New citron, orange and lemon peel.

Cross & Blackwell's potted Yarmouth Bloaters in Jars, Cunningham & DeFourier's potted Meats, Johnson's Fluid Beef, Armour's Lunch Tongue, Cross & Blackwell's pickles, clover-leaf salmon in Flat Tins, canned Mush-rooms, and in other lines we have the best goods in the market.

To clear off our stock of Winter Overcoats and clothing We will give a straight Discount of Twenty per cent. for cash. The goods are all the best makes, and remember we will give twenty cents off every dollar on these lines. We have some good lines in Men's Woolen Underwear. Gents' Furnishings at close prices.

We have a great variety of HOLIDAY GOODS, comprising plush and leather Albums, ladies' plush hand bags, pocket books, purses, jewel cases, desks, workboxes, fancy brackets, mirrors, wall pockets, vases, fancy china cups and saucers, mugs, etc. Silk handkerchiefs, Antimacassars, fancy plush and chenille table cloths. We have a good variety of pipes, cigar holders, pencil cases, dolls, toys, children's teasets, etc.

Don't forget to see our great Twenty-five cent counter; everything goes for 25c. Many lines that others sell at 40c. and 50c., all for a quarter.

We intend giving up our Keewatin business beginning the year and offer big bargains to clear the stock.

J. B. DAVIES.

Rat Portage and Keewatin,

Dr. Clark's White Liniment The Great Stable and Household Remedy.

HORSEMEN ATTENTION!

HORSEMEN ATTENTION!

Horsemen throughout the country have long felt the seed of a free-class Stabla biniment applicable to the choquand and one external derangement incident to horselich. The various preparations on the market are in some-mass useful within a vary limited sphere, some for spatins, some for galls, come for pulfs, athory for sprains, and as on ad libitum, until a farmer or randour would need to keep a small publicacy shop on his premises to meet the various-requirements of even a small band "of horses," in addition to this there is the trouble and experimed or feaving supply, as other preparations are usually put up in such small bettles that in met uses one bottle is good only for one application.

Dr. Chang's White Linius at it is designed and three difficulties. It is the most important departure in recent years in the interest of extlants and exconomical veletimary freedingent. It has been found useful in a grouper-twinty of disorders and bleumishes than any other limitants over soid, it has been proved of greater service to large horse owners than any other norse medicine of the centry. It is not a deader, fesh withering bit for but a penetrating, sonture, lit is set time as large a meal limitant over soid, it has been proved of greater service to large horse owners than any other norse medicine of the centry. It is not a deader, fesh withering bit for but a penetrating, sonture, healing his with a set of the centry. It is not then as large a meal limitants of the market, farmord paraticles and wastly more conomical. For pulfs, apraine, evalue, of centre with galls, ringslone, amatural coloryment, or any kind of bruises, cells, with a farmord paraticle pulm in from all quarters. We have not room in this better disched its reproduce the opinions of the hundrical work laws without as a work of the paraticles and the province of the hundrical work laws without as a various paraticles. For well depends on a nonlinear section of the hundrical work laws without any of the hundrical warment of the
